

Privacy Statement

Privacy Statement

MakeMaya has created this privacy statement in order to demonstrate our company commitment to privacy.

Collection of Personal Information from Service Visitors.

MakeMaya may collect and/or track (1) the home server domain names, email addresses, type of client computer, files downloaded, search engine used, operating system, and type of web browser of visitors to MakeMaya Website, (2) the email addresses of visitors that communicate with MakeMaya, via email, (3) information knowingly provided by the visitor in online forms, registration forms, surveys, email, contest entries, and other online avenues (including demographic and personal profile data), and (4) aggregate and user-specific information on which pages visitors access.

Internet cookies save data about individual visitors, such as the organization's name, password, user-name, screen preferences, and the pages of a service viewed by the visitor.

Use of Personal Data Collected.

Personal data collected by MakeMaya may be used for editorial and feedback purposes, for marketing and promotional purposes, for a statistical analysis of users' behaviour, for product development, for content improvement, or to customize the content and for lead generations. Aggregate data on visitors' home servers may be used for internal purposes but will not be provided to third parties such as marketing firms. Individually identifying information, such as names, postal and email addresses, phone numbers, and other personal information which visitors voluntarily provide to MakeMaya may be added to MakeMaya databases and used for future calls and mailings regarding service updates, new products and services, and upcoming events.

Security Measures.

MakeMaya has implemented numerous security features to prevent the unauthorized release of or access to personal information. For example, all MakeMaya employees are required to certify their understanding that personal information is considered confidential, that it is important to safeguard personal information, and that MakeMaya will take appropriate action against any employee who fails to acknowledge these facts or adhere to the requisite standards of conduct. Please be advised, that MakeMaya is not responsible for the security of information transmitted via the Internet (electronic mail services). For more private communication contact MakeMaya by telephone at +91 7762922527

Logic Software, Inc. Right to Contact Users.

MakeMaya reserves the right to contact service visitors regarding sales and other informational requests made through its web service.
